Acumatica
THE CLOUD ERP

AT A GLANCE

WHO WE ARE

Acumatica enables growing SMB businesses to perform more effectively by providing next-generation agile cloud ERP applications that adapt to their evolving needs.

WHAT WE DO

Acumatica's powerful technology offers unparalleled adaptability in functionality, deployment and licensing options. Our award-winning solution is sold exclusively through a global network of partners.

WHY CHOOSE US

Acumatica is the only secure, cloud- and browser-based SMB ERP solution that adapts to your business.

HOW WE STARTED

Our technology was built by ERP veterans who have worked in the industry for more than 30 years, and who have expertise in accounting, distribution, project management, CRM, and more.

### WHEN WE STARTED

Founded in 2007.

WHERE WE ARE

Headquartered in Seattle, WA, with offices worldwide.

CLOUD ERP SOFTWARE

Acumatica's award-winning cloud ERP software empowers SMBs to stay competitive by making it easy to adapt to changing needs.

Acumatica is the only secure cloud- and browser-based ERP solution to offer unparalleled adaptability in functionality, deployment and licensing options, allowing SMBs to enjoy the benefits of the cloud with none of its drawbacks. Our suites include financials, distribution, CRM, and project accounting.

Our product is highly configurable and extensible to meet unique customer needs. The Acumatica Studio development platform gives ISVs and OEMs competitive advantage and fast time-to-market for developing and integrating cloud-based apps using industry standard tools.

OUR CLOUD ERP PRODUCT IS LIKE NO OTHER

Many ways to the cloud	Browser-based solution enables customers to work anywhere, on any device. Enjoy a lower TCO with no escalating costs or lock-in.
Many ways to deploy	Choose to deploy on-premises, hosted, or SaaS, and switch easily between them as needs change.
Many ways to use, easily	Our comprehensive solution with deep functionality is designed to integrate easily with other systems, with minimal user disruption.
Many ways to buy	Choose to buy the license, and never commit to eternal subscription fees again. Unlimited user pricing so your stakeholders are always included.

Acumatica
THE CLOUD ERP

WHAT OUR CUSTOMERS ARE SAYING ABOUT US

"Since I'm not limited by the number of users, we can quickly get all users into the core system. I'm no longer penalized for growing my business."

**Ehren Dimitry,
President and CEO, AME Corporation**

"As an ISV, we found Acumatica's technology to be elegant, adaptable, and stable. In the era of cloud computing, you do not want to select technology that is decades old."

**Auri Kostama
Head of Finance & Administration, smartTrade Technologies**

"Acumatica makes it really easy for remote employees to access from anywhere. The simplicity of that cannot be overstated."

**Charles Hutchinson,
Chief Financial Officer, IntraCoastal Environmental**
